Racism Review (www.racismreview.com), a public sociology blog, co-founded with Joe R. Feagin with the goal of creating an online resource for reliable, scholarly information for journalists, students and members of the general public who are seeking solid evidence-based research and analysis of “race” and racism. We routinely see 200,000 unique visitors to the blog, and have had over 3.2 million visitors since the blog began (2007). A number of academics use the blog in teaching.
